Letter From the Principal

To the Class of 2015:

I feel fortunate to be the principal of Mansfield High School and to have been a part of your academic and personal growth. The Class of 2015 has been a model of excellence and reflective of our school's core values and beliefs, which says our students collaborate with others to a productive end, lead by influence and example, and demonstrates personal and global responsibility.

The Class of 2015 has lived up to the tradition of excellence in the classroom and in extra-curricular activities that we have come to expect at Mansfield High School. Thank you for setting a positive example in the classroom, the hallways and in the community. As a class you have left a lasting imprint on society because of your many hours of community service and donations to charities. You are leaving MHS and your surrounding community in a better place and I thank you for your collective efforts.

On behalf of the faculty and staff, congratulations to the Class of 2015. We are proud of you and wish you success and happiness as you move forward with your post high school plans. Upon your graduation, you will become a member of the MHS alumni community. We hope that you are proud of this and look back upon your time as positive and enriching. I urge all of you to stay in touch and find ways to remain connected to the community that helped foster your development over the past thirteen years.

Respectfully,
Michael T. Connolly

The class of 2015

would like to thank our advisers,

Ms. MacKinnon & Ms. Darcy,

for all of their help and guidance during the past four years.

They were instrumental in accomplishing all of our goals and having successful fundraisrers. We cannot thank them enough for all that they have done for our class. The Best Prom of All Time, the Boat Cruise, the All Night Party, and every minor fundraiser that we have had along the way have been and will continue to be successful as a result of the dedication and support that they give the class officers.

The unwavering enthusiasm and flexibility that they both have shown throughout the last four years in encouraging our ideas have allowed us the ability and independence to make our lasting impression on the school as a class. They have made our experience at Mansfield High School a unique one that we could never forget.

For every sigh, a sweet song,

Jamie

To the Class of 2015,

I wish I had more than a paragraph to tell you what you have all meant to our family since you were in Kindergarten. Jamie started out a scared, unsure 5 year old and all of you helped her become the incredible young woman she is today. We encouraged you to accept her and you embraced it beyond anything we could have hoped for. Thank you all for making her school years so special. She will miss all of you as you move forward toward college and careers so don't hesitate to visit anytime. Good luck to all of you. You will always hold such special places in our hearts.

Love, the Piro Family
